CLASS DOJO

In The Hub this year we are going to be using Class Dojo to communicate our messages and classroom stories about events and achievements. We encourage parents to sign up to the app so that you are as up to date as possible. Our goal is to have your children complete a weekly dojo activity that shows you what they have been learning or a piece of work they are proud of. All students have received the details required for you to sign up. If you haven't yet seen this it might pay ask your child for the slip of paper with the code details on them. If you are unable to access the internet at home we will ensure you receive notes or messages via your child. If you have any questions about Class Dojo please email jlorimer@pukekawa.school.nz or lswift@pukekawa.school.nz

Laptops, Chrome Books

Students in Year 4,5,6 may bring a digital device to school to use to support their learning. These need to be locked away in the class on arrival to school and only be used at times directed by the teacher. This will ensure that the devices are safe and help maintain cyber safety for our students.

Netball

A notice was sent home last week. If your child is intending to play netball this season on Friday nights or Saturdays, please return the form by next Monday.

BUS or CAR?

Please ensure we receive clear instructions about how your child is going home, well before 2-30pm, so that buses are not held up if confusion arises.

About The Event:

The celebrations are focused around spending time with our children, however each year the focus changes to highlight one of the key themes. The theme for this year is “Little Champs”. It is hoped that Children’s Day will provide families in Tuakau community with an opportunity to encourage and praise children. The only rule is that parents must empower kids to set up their own stalls just like their own business plan all by themselves and encourage them to showcase their performance on stage.

Here are some Ideas to get you Started 😊

- For Little Champ stalls make a list with your children of everything they would want to sell. Once your child is ready then you can register your child’s name, the name of his stall and item of his stall. You can give interesting names to your stall. Make sure spend time being creative and unique.
- For Little Champ stage each child will be given a 5-10 minutes timeslot. Choose one performance and register your child’s name for Little Champ Stage.

Organised by **Tuakau Rotary club** for Tuakau and Districts community children.
